IMPORTANT!

All Yachts will be subject to inspection by the Organizing Authority (OA) before the race start or after the race finish. This form will be used as an inspection guide. The Person in Charge may be asked to verbally verify required safety procedures that they and the crew are prepared and practiced for accomplishing in an emergency. Boats may request a courtesy examination from the Queen's Cup Race Committee to assure compliance.

MAN OVERBOARD RECOVERY DRILL RECORD OF SUCCESSFUL PRACTICE

The Person in Charge certifies that a successful Man Overboard Drill was completed by at least 2/3rds of the crew within the last year as listed below. The drill was done in a manner that replicated recovering the heaviest crew member from the water in an emergency situation.

Date of Drill: _____ MOB Time: _____ Time Recovery Completed: _____

Signatures of crewmembers certifying their participation in the drill and their review of ISAF Offshore Special Regulations Appendix D which can be found at <http://www.sailing.org/tools/documents/OSR2012AppD09122011-%5B11754%5D.pdf>
